REPORT OF THE INDEPENDENT AUDITORS TO
ABILITY DEVELOPMENTS LIMITED
UNDER SECTION 449 OF THE COMPANIES ACT 2006

We have examined the abbreviated accounts which comprise the Abbreviated Balance Sheet and the related notes, together with the full financial statements of Ability Developments Limited for the year ended 31 December 2013 prepared under Section 396 of the Companies Act 2006.

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of director and auditors

The director is responsible for preparing the abbreviated accounts in accordance with Section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section and to report our opinion to you.

Basis of opinion

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section.

NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2013

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Preparation of consolidated financial statements

The financial statements contain information about Ability Developments Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken the option under Section 398 of the Companies Act 2006 not to prepare consolidated financial statements.

Turnover

Turnover represents net rental income receivable, excluding value added tax. Revenue and profit on sales of properties are recognised on legal completion.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Land and buildings	- see below
Plant and machinery etc	- 33% on reducing balance and 15% on reducing balance

In accordance with the FRSE, investment properties are revalued annually and the aggregate surplus or deficit is transferred to a revaluation reserve, and no depreciation is provided in respect of investment properties. The requirement of Companies Act 2006 is to depreciate all properties, but that requirement conflicts with the generally accepted accounting principle set out in the FRSE. The director considers that to depreciate such properties would not give a true and fair view, but that a true and fair view is given by following the FRSE as described above. The effect of this departure from the Companies Act 2006 has not been quantified because it is impracticable and, in the opinion of the directors, would be misleading.

Freehold properties previously in the course of construction are independently valued on an open market basis. Where independent valuation is not available, it is the policy of the company to use director's estimation of open market value. Any surplus or deficit arising is transferred to the revaluation reserve. The directors consider that this accounting policy will provide a true and fair view.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date except for where balances are of a permanent nature. In this circumstance assets and liabilities are translated using the historic rate of exchange in force at the date of the original transaction. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the term of the lease.

Fixed asset investments

Investments in subsidiaries are carried at cost less impairment.

Debt instruments

Debt instruments are stated at their net proceeds on issue. Issue costs are amortised to the profit and loss account over the life of the instrument.
