Notes to the Abbreviated Accounts

For the year ending 30 September 2009

1 Accounting policies

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of materials and services, excluding value added tax. Turnover from the property sales and refurbishment is recognised when the risks and rewards of ownership are transferred to the customer. The risks and rewards are transferred to the customer upon completion of works.Turnover from services is recognised on completion of contract or works, taking into account uninvoiced work on continous contracts at the year end.

Stocks

Work in progress is valued at the lower of cost and net realisable value. Cost includes all direct expenditure and is calculated based upon a standard margin on sales in the year.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery	33% on reducing balance
Plant and machinery	15% on reducing balance
Motor vehicles	25% on reducing balance
