The notes on pages 2 to 4 form part of these financial statements

1 ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2 Turnover

Turnover represents the total invoiced value of goods and services made during the period, net of value added tax and trade discounts

1.3 Intangible fixed assets and amortization

Goodwill is amortised to the profit and loss account over its estimated economic life of three years

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows

Improvements to leasehold property	20% per annum – straight line basis
Plant and machinery	25% per annum – reducing balance basis
Office furniture and equipment	20% per annum – reducing balance basis
Motor vehicles	25% per annum – reducing balance basis
Computer equipment	25% per annum – straight line basis

1.5 Leasing

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to profit and loss account as incurred

1.6 Stock and work in progress

Stock and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks Cost includes all direct costs and an appropriate proportion of fixed and variable overheads Work in progress is reflected in the accounts on a contract by contract basis by recording turnover and related costs as contract activity progresses

1 ACCOUNTING POLICIES (continued)

1.7 Foreign currencies

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction Exchange differences are taken into account in arriving at the operating profit

1.8 Deferred taxation

The charge for taxation takes into account taxation deferred as a result of timing differences between the treatment of certain items for taxation and accounting purposes In general, deferred taxation is recognized in respect of all timing differences that have originated but not reversed at the balance sheet date However, deferred tax assets are recognized only to the extent that the directors consider that it is more likely than not that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits Deferred taxation is measured on a non-discounted basis at the average tax rates that would apply when the timing differences are expected to reverse, based on tax rates and laws that have been enacted by the balance sheet date

1.9 Pensions

The company operates a defined contribution pension scheme, The Amtech Developments Limited Pension Scheme, and the pension charge represents the amounts payable by the company to the fund in respect of the year
