Auditors' Report to Visual Studio Limited under Section 247B of the Companies Act 1985

We have examined the abbreviated accounts set out on pages 2 to 5 together with the financial statements of Visual Studio Limited for the year ended 30 June 2001 prepared under Section 226 of the Companies Act 1985.

Respective responsibilities of director and auditors

The director is responsible for preparing abbreviated accounts in accordance with Section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts prepared in accordance with Sections 246(5) and (6) of the Act to the registrar of companies and whether the accounts to be delivered are properly prepared in accordance with those provisions and to report our opinion to you.

Basis of opinion

We have carried out the procedures we considered necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts are properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the financial statements.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Sections 246(5) and (6) of the Companies Act 1985 in respect of the year ended 30 June 2001, and the abbreviated accounts on pages 2 to 5 are properly prepared in accordance with those provisions.

Notes to the Abbreviated Financial Statements for the year ended 30 June 2001

1. Accounting Policies

Accounting convention
The accounts are prepared under the historical cost convention modified to include the revaluation of certain fixed assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

Turnover
Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

Tangible fixed assets and depreciation
Depreciation is provided at rates calculated to write off the cost or valuation less residual value of each asset over its expected useful life, as follows:

Land and buildings	-	no depreciation is charged on land and buildings
Other tangible assets	-	
Plant and machinery	-	25% Straight Line
Fixtures, fittings and equipment	-	25% Straight Line
Motor vehicles	-	25% Straight Line

Computer hardware is written off directly to the profit and loss account. In the opinion of the director this policy is necessary to show a true and fair view. For the company to be sucessful in providing computer services and consultancy it needs to be at the leading edge in respect of computer hardware. As a result upgrades are made on an ongoing basis.

Leasing and hire purchase commitments
Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

Deferred taxation
Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes except to the extent that the director considers that a liability to taxation is unlikely to materialise.
