DIRECTORS' REPORT - CONTINUED

Responsibility of the Directors

Company Law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the Profit or Loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates which are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company to enable them to ensure that the financial statements comply with the Companies Act 1985. The directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps to prevent fraud and other irregularities.

Auditors

In accordance with Section 385(1) of the Companies Act 1985 as amended by Section 119(1) of the Companies Act 1989, a resolution proposing the re-appointment of Ansons, Chartered Accountants as Auditors will be put to the Annual General Meeting.

This report was approved on 30th March 1998.

AUDITORS' REPORT

TO THE SHAREHOLDERS OF E.J.B.DEVELOPMENTS LIMITED

We have audited the financial statements on pages 5 to 8 which have been prepared under the Accounting Policies laid out on page 7.

Respective responsibilities of the Directors and auditors.

As described on page 3 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion on those statements, based on our audit, and to report our opinion to you.

Basis of opinion

We have conducted our audit in accordance with Auditing Standards. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material mis-statement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the Company's affairs at 30th November 1997 and of its Results for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
