The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 SEPTEMBER 2015

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with applicable accounting standards.

1.2 Cash flow

The company has taken advantage of the exemption in Financial Reporting Standard No.1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

1.3 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant and machinery	-	15% reducing balance
Motor vehicles	-	25% reducing balance
Furniture, fittings and equipment	-	15% reducing balance

1.5 Operating leases

Rentals under operating leases are charged to the Profit and loss account on a straight line basis over the lease term.

1.6 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks.

1.7 Deferred taxation

No provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation because, in the directors' opinion, accounting for deferred tax would not add to the reader's understanding of the accounts.

1.8 Revenue recognition

The company will recognise revenue as they earn the right to consideration for the work done.
