This report is made solely to the company in accordance with Section 247B of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company those matters we are required to state to them in an auditor's report on abbreviated accounts and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts prepared in accordance with sections 246(5) and (6) of the Act to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with those provisions and to report our opinion to you.

Basis of audit opinion

We conducted our work in accordance with Bulletin 2006/3 "The special auditor's report on abbreviated accounts in the United Kingdom" issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

On we reported, as auditors of Engine Developments Limited, to the members on the financial statements prepared under section 226 of the Companies Act 1985 for the year ended 31 December 2005, and our audit report was as follows:

"We have audited the financial statements of Engine Developments Limited for the year ended 31 December 2005 set out on pages 5 to 11. ENGINE DEVELOPMENTS LIMITED

INDEPENDENT AUDITORS' REPORT TO ENGINE DEVELOPMENTS LIMITED (CONTINUED) UNDER SECTION 247B OF THE COMPANIES ACT 1985

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities on page 2 the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records or if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. However, as stated in note 1, due to their special nature, the company's stock and work in progress have been included at the directors' valuation. There were no satisfactory audit procedures that we could adopt to confirm independently the valuation prepared by the directors and as a result we have been unable to verify the valuation of stock and work in progress shown in the financial statements.

In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Qualified opinion arising from limitation in scope

Except for any adjustments that might have been found to be necessary had we been able to obtain sufficient evidence towards the valuation of stock and work in progress, in our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 2005 and of its results for the year then ended and have been properly prepared in accordance with the Companies Act 1985."
