Functional Microstructures Limited

Directors' Report

for the year ended 30 June 2006

The directors present their annual report on the affairs of the company, together with financial statements, for the year ended 30 June 2006.

Principal activities

The principal activity of the company is that of the design and development of a device for the delivery of drugs and medicines using micro-needle technology

Future developments

Research continues into the development of a device for drug and medicine delivery using micro needles, the company is ready to enter the next phase of development which is to produce prototypes for testing and approval. Negotiations continue with potential investors and the directors are confident of securing substantial investment before the end of 2006 to enable the company to finalise its design and development plans

Directors

The directors in office in the year and their interests in the company's issued share capital on 30 June 2006 were as follows:

	30 June 2006	1 July 2005
Ordinary Shares of £1 each		
Mr J L D Bell	460	460
Dr Andrew James Kirby	300	300

Statement of directors' responsibilities

Company Law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company, and of the profit or loss of the company for that year. In preparing those financial statements the directors are required to

- select suitable accounting policies and apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time, the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

The above report has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies

Signed on behalf of
the board of directors

Mr J L D Bell
Secretary

Approved by the board:

**Functional Microstructures Limited
Chartered Accountants' Report
for the year ended 30 June 2006**

**Chartered Accountants' Report to the directors on the unaudited
financial statements of Functional Microstructures Limited**

In accordance with the engagement letter dated 3 November 2005, and in order to assist you to fulfil your duties under the Companies Act 1985, we have compiled the financial statements of the company which comprise Profit and Loss Account, Balance Sheet and the related notes from the accounting records and information and explanations you have given to us

This report is made to the Company's Board of Directors, as a body, in accordance with the terms of our engagement. Our work has been undertaken so that we might compile the financial statements that we have been engaged to compile, report to the Company's Board of Directors that we have done so, and state those matters that we have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's Board of Directors, as a body, for our work or for this report.

We have carried out this engagement in accordance with technical guidance issued by the Institute of Chartered Accountants in England and Wales and have complied with the ethical guidance laid down by the Institute relating to members undertaking the compilation of financial statements.

You have acknowledged on the balance sheet as at 30 June 2006 your duty to ensure that the company has kept proper accounting records and to prepare financial statements that give a true and fair view under the Companies Act 1985. You consider that the company is exempt from the statutory requirement for an audit for the year.

We have not been instructed to carry out an audit of the financial statements. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the financial statements.

These annual accounts have not been audited because the company is entitled to the exemption provided by s249A(1) Companies Act 1985 and its members have not required the company to obtain an audit of these accounts in accordance with s249B(2). The directors acknowledge their responsibilities for ensuring that the company keeps accounting records that comply with s221 Companies Act 1985. The directors also acknowledge their responsibilities for preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with s226 Companies Act 1985, and which otherwise comply with the requirements of that Act relating to accounts, so far as applicable to the company.

These accounts have been prepared in accordance with the special provisions relating to small companies within Part VII of the Companies Act 1985 and with the Financial Reporting Standard for Smaller Entities (effective January 2005).

Functional Microstructures Limited
Notes to the Financial Statements
for the year ended 30 June 2006

1 Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and the preceding year.

Basis of accounting

Tangible fixed assets

Tangible fixed assets are stated at cost or valuation, net of depreciation and any provision for impairment. Depreciation is provided on all tangible fixed assets, other than investment properties and freehold land, at rates calculated to write off the cost or valuation, less estimated residual value, of each asset over its expected useful life, as follows:

Equipment	3 Years
-----------	---------

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred taxation is accounted for at expected tax rates on all differences arising from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. A deferred tax asset is only recognised when it is more likely than not that the asset will be recoverable in the foreseeable future out of suitable taxable profits from which the underlying timing differences can be deducted.

Leases

Rentals under operating leases are charged on a straight-line basis over the lease term, even if the payments are not made on such a basis.

Research and Development Expenditure

Expenditure incurred on research and development is written off to the profit and loss account as incurred.

Cash Flow Statement

The company satisfies the requirements of a small company under s246-s249 of the Companies Act 1985 and has taken advantage of the exemption detailed in paragraph 8 of FRS1' in not preparing a cash flow statement.

2 Directors' emoluments	2006	2005
	£	£

	Operating Leases £
Leases expiring within one year	1,970
Leases expiring between two and five years	-
Leases expiring after five years	-
	<u>1,970</u>

10 Going Concern Concept

The accounts, which disclose an excess of liabilities over assets have been prepared on a going concern basis with no adjustments having been made to provide for any additional costs or losses that may arise if this were found to be inappropriate. The directors have agreed to make funds available to enable the company to meet its obligations as they fall due pending agreement of further investment by proposed shareholders and not to reduce the amount included in the accounts as amounts due to directors to the detriment of any external creditor.

11 Ultimate Controlling Party

The ultimate controlling parties of the company are the shareholders acting together.
