Statement of directors' responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditors' report

to the members of Python Music Limited

We have audited the company's financial statements for the year ended 31 January 2007 which comprise the Profit and Loss Account, Balance Sheet and the related notes 1 to 10. These financial statements have been prepared under the accounting policies set out therein and the requirements of the Financial Reporting Standard for Smaller Entities.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Annual Report and the financial statements in accordance with applicable United Kingdom law and Accounting Standards (UK Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Notes to the financial statements

at 31 January 2007

1. Fundamental accounting concept

The financial statements have been prepared on a going concern basis on the assumption that the parent and associated undertakings will provide any necessary financial support to the company to enable it to meet its liabilities as and when they fall due. The directors have no reason to believe this financial support will not continue in the future and consider it appropriate to adopt a going concern basis.

2. Accounting policies

Basis of preparation

The financial statements are prepared under the historical cost convention.

Cash flow statement

The company has taken advantage of the concession in FRS 1 "Cash Flow Statements" which exempts a company from the requirement to prepare a statement of cash flows on the grounds that the company is small as defined in companies legislation.

Affiliated undertakings

In these financial statements undertakings are described as affiliated to Python Music Limited if the undertaking is owned by one or more of the ultimate shareholders of Python Music Limited's parent undertaking, Apple Corps Limited.

3. Loss on ordinary activities before taxation

None of the directors received any remuneration from the company during the year.

The auditors' remuneration in both years has been borne by the parent undertaking.

Loan interest accrued in prior years' financial statements to 31 January 1996, but not yet paid, amounting to £613,176, has not been included in calculating the company's available tax losses, as it is not an allowable expense for taxation purposes until such time as it is paid
