Statement of Directors' Responsibilities

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that year In preparing those accounts the directors are required to .

select suitable accounting policies and then apply them consistently ;

make judgements and estimates that are reasonable and prudent ;

prepare the accounts on a going concern basis unless it is inappropriate to presume that the company will continue in business.

state whether the Financial Reporting Standard for Smaller Entities has been followed, subject to any material departures disclosed and explained in the accounts.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985 They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention of fraud and other irregularities

Notes to the accounts for the

Year ended the 31st October 2007

Note 1 Accounting policies

The following accounting policies have been consistently applied in dealing with the items which are considered material in relation to the company's accounts.

a) Basis of preparation. The accounts have been prepared under the historic cost accounting rules and in accordance with the January 2007 Financial Reporting Standard for Smaller Entities.

b) Turnover. Turnover consists of the invoiced value (excluding VAT) for services provided to third parties.

c) Taxation The charge for taxation is based on the trading loss for the year and takes into account deferred taxation Full provision is made for deferred tax liabilities arising from timing differences between the recognition of gains and losses in the accounts and their recognition for corporate tax purposes. No account is taken for deferred tax assets where they arise.

d) Depreciation. Depreciation is charged during the year in order to write the assets off over their estimated useful lives. The computer equipment has been depreciated at the rate of 50% per annum on a straight line basis

e) Fundamental Accounting Concept. The accounts have been prepared under the going concern concept due to the controlling director continuing to provide the required financial assistance to the company to meet it's liabilities as they fall due.

Note 2 Turnover. Turnover represents the amounts, net of Vat, derived from the provision of services to customers during the year.

Note 3 Operating Loss. Operating loss (2006 – profit) is arrived at after charging .
